# Program Overview

## About Simnet Disk Cleaner

Simnet Disk Cleaner is an application that will help you to scan and clean junk files in your disk drives. Disk Cleaner uses an Advanced Parallel Scan technology to high-speed scanning your hard disk drives.

By cleaning junk files with Simnet Disk Cleaner, you increase free disk space and improve disk performance.

### Key Benefits:

- Scans multiple disk drives at the same time with Advanced Parallel Scan technology.
- Safely cleans out junk files from your disk drives with a few simple mouse clicks.
- Protects your privacy by removing temporary internet files. (Firefox, Chrome, Opera, IE etc.)
- Improves system performance and reduces errors.

### Features:

- Advanced Parallel Scan Technology.
- Automatically product update.
- Smart and easy-to-use interface.
- Minimal installation, low memory and cpu usage.

# Scanning and Cleaning Junk Files

## What it does

Disk Cleaner detects and cleans out junk and unneeded files based on the criteria you choose.

## How To Scan & Clean

1. Launch the Simnet Disk Cleaner 2011
2. Click on the **Start Scan Now** button, Disk Cleaner will start scanning for junk files on your PC.
3. When the scan completes, Disk Cleaner will display the number of junk files found per section.
4. To start the clean process, click on the **Clean** button.
5. When the clean process has finished, Disk Cleaner will display the number of junk files cleaned.

## How To Custom Scan

1. Launch the Simnet Disk Cleaner 2011
2. Click on the **Scan Settings** under the Start Scan Now button.
3. Select the sections you would like to scan.
4. To start the clean process, click on the **Scan Now** button.

# Uninstalling Simnet Disk Cleaner

## To uninstall Simnet Disk Cleaner

1. On the Windows taskbar, click **Start > Control Panel**.
2. Click the Programs and Features icon. (Add or Remove Programs)
3. From the Currently installed programs list, choose **Simnet Disk Cleaner**, and click Remove
4. Follow the instructions to remove **Simnet Disk Cleaner** from your computer.
